

Shalom!

Welcome to IEC Singapore. It is with our great joy and excitement that we welcome you to IEC Singapore website. IEC Singapore is a place where we are worshipping and enjoying God's glory through the powerful Word of God. We pray that our church will be a place where you can find God's presence and His loving kindness in our congregation.

We invite you to join us for our Sunday Service, and we look forward to getting to know you. We would also encourage you to join our fellowships and prayer meetings, so that we may grow together in Christ and share His abundant love in our lives.

We hope that through this website, you may find more information about our church, with various ministries and activities going on at IEC Singapore.

Thank you for visiting us. May the Lord bless us, everyone.

Anyone who welcomes you welcomes me, and anyone who welcomes me welcomes the one who sent me.
